MEMORANDUM FOR: The Director

SUBJECT : Present status of MSCIDs 1 and 8 (former MSCID 9)

- 1. You will recall that the Mational Security Council approved the new version of MSCID 1 on 21 April 1958, after certain revisions had been made in paragraph 17 thereof, dealing with the protection of sources and methods. Copies have not yet been received from the printers; but a corrected draft copy is attached. A further revision of this MSCID -- to take account of the merger -- has been distributed as a proposal of General Truscott, but it has no official standing.
- 2. was covered by language in paragraph 4 of RECID 3, also approved on 21 April. A copy is attached.
- 3. The old HSCID 9 as revised 29 December 1952 remains in effect. Its revision as proposed HSCID 8 has been agreed within the community; and the community has further agreed to proceed in all matters as though it had been approved by the National Security Council. It is understood, however, that the Mational Security Council will not be asked to approve a new HSCID 8 until it acts on the merger versions of both MSCID 1 and MSCID 8.
